Instructions for Idaho Form 75-HF

Your heating fuel distributor does not charge tax on dyed heating fuel (diesel fuel or furnace oil) that you use to heat your home or building. However, if the fuel distributor was required to charge the state fuels tax because the heating fuel was not dyed, you may claim a refund of the state tax you have paid.

You must keep the invoice(s) you received when you purchased heating fuel. The invoice(s) serve as proof that you have paid the fuels tax and must be kept for three (3) years.

WHO MAY FILE

Form 75-HF may only be filed by the final user of the fuel.

- Any refund or tax due to a partnership or corporation must be claimed by the business. It may not be applied to the individual returns filed by partners or shareholders.
